profile

As a graphic designer who takes pride in his work and finds joy in others' excitement, I am lucky to be able to pursue my dreams. This motivates me to experiment with new tools and create comprehensible contents for clients to lead better business decisions.

My skill set extends beyond just design tools; My background in psychology and business enhance the practicality of my designs. For my upcoming opportunity, I seek to integrate my knowledge with new tools to deliver creative solutions for brands.

experience

- ◇ **Rare Love Ventures** Jun 2021 - Current
Graphic Designer
Designed the Rare Love Ventures Logo.
Handled UX and UI for the relaunch of Anavex.com.
